**INTRODUCTION**

This document is the Index to the Administrative Record which was developed for Installation Restoration (IR) Program Sites 06 (Solvent Disposal Area), 11 (Fire Fighting Training Area), and 13 (Disposal Area Northwest of Buildings W-3, W-4, and T-1) at the Naval Construction Battalion Center located in North Kingstown, Rhode Island (NCBC Davisville). The Administrative Record was prepared pursuant to the requirements of the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA) of 1980, as amended by the Superfund Amendments and Reauthorization Act (SARA) of 1986.

On 21 November 1989, NCBC Davisville was placed on the EPA's National Priorities List (NPL), which is a compilation of national priority sites among the known sites with releases or threatened releases of hazardous substances, pollutants, or contaminants. A Federal Facilities Agreement (FFA) for NCBC Davisville was signed on 23 March 1992.

The materials contained herein were considered, or relied upon, in the selection of the appropriate response action for Sites 06, 11, and 13. The documents listed in this index are either site-specific documents/correspondence or are guidance documents used in selection of the response action. All other guidance documents are incorporated by reference and are available for review as part of the EPA's Compendium of Guidance Documents which is maintained by the Region I EPA at its Boston office.

The Administrative Record is arranged on a set of 2 CDs in sections that follow the stages of the Navy's IR Program and the Administrative Record Index. Each section has the reports and correspondence documents pertaining to each phase of the IR Program for Sites 06, 11, and 13. In general, draft reports are not included where final documents are available. Images of documents in sections 1000-4000 are on Disk 1 of the set and images of documents in sections 5000-14000 are on Disk 2.

In addition to this Administrative Record, an Information Repository is maintained at the North Kingstown Free Public Library located in the Town of North Kingstown, Rhode Island.
