Re: INTERAGENCY AGREEMENT/FFA FOR THE NAVAL CONSTRUCTION
BATTALION CENTER (NCBC) DAVISVILLE, RHODE ISLAND
NATIONAL PRIORITY LIST (NPL) SUPERFUND SITE

Dear Ms. Keating:

The Navy is in receipt of your 31 December 1990 letter issuing "Special Notice" of EPA's intent to conduct negotiations with the Navy and the State of Rhode Island for the development of a Federal Facility Agreement (FFA) for NCBC Davisville RI. This command is delegated authority for administering the Installation Restoration Program at NCBC Davisville and will be coordinating the Navy's participation in the negotiations.

In response to item one of your letter the Navy point of contact is listed below:

Mr. Russell Fish
Northern Division
Naval Facilities Engineering Command
U.S. Naval Base Bldg. 77L
Philadelphia, PA 19112

Phone: (215) 897-6432

With regard to the second item, our negotiation team is ready to begin discussions. However, due to prior travel commitments we request the initial meeting date be re-scheduled for a mutually agreeable date as soon thereafter as possible. Furthermore, to facilitate travel arrangements we recommend that this meeting convene at NCBC Davisville. We understand that both NCBC Davisville and NETC Newport documents will be discussed at this meeting.

In accordance with the telephone conversation between Douglas Luckerman of your office and Kenneth Homick of Northern Division

on 9 January 1990 we understand that the objectives of this initial meeting will be to discuss the general concepts of the FFA and to mitigate scheduling problems with future meeting dates.

Please feel free to contact Mr. Russell Fish at the Northern Division with any questions or comments.

Sincerely,

R. W. WARNER
Environmental Restoration Branch Head
